Story

"**RestoHub**" is an online platform designed to help Astana residents choose a place to relax and eat delicious food. The site offers a wide range of restaurants and cafes in the city so that users can find exactly what meets their preferences.

On the **RestoHub** website, you can choose the cuisine you are interested in, whether it is local, Asian, Italian or other. Once you select a cuisine, the platform will offer you a list of restaurants that specialize in that cuisine, with information about their location, rating, menu and average bill. This will help you make an informed choice and find the right place to have a good time and a delicious meal.

The main goal of "**RestoHub**" is to simplify the process of choosing a restaurant and provide a convenient platform where Astana residents can find a place that meets their preferences in terms of cuisine, atmosphere and budget. It helps to improve visitors' experience and contributes to the development of restaurant industry in Astana.

Features

Our website design provides users with **convenience and accessibility** by allowing them to browse and select from different cuisines anytime, anywhere.

The site offers **variety and choice**, providing a wide range of cuisines and restaurants to suit the different preferences and tastes of users.

With the ability to **book and order** through the website, users can streamline the scheduling process and gain predictability by choosing a convenient time and place to book a table or place an order at a restaurant.

Thematic Colors

Color #FFFFFF: This color symbolizes **cleanliness** and freshness, which may reflect the restaurant's commitment to high levels of hygiene and product quality. The white color also gives the website a clean and minimal look, which contributes to the impression of professionalism and elegance.

Color #393939: This dark gray shade can be used for text on a restaurant website. It provides **good readability** and gives the content a cozy and modern look.

Color #048654: This rich blue hue symbolizes **freshness, liveliness and naturalness**, which can reflect the emphasis on using fresh and quality products in a restaurant.
